**MEMORANDUM FOR:** Deputy Director of Administration, DPS/DCI

25X1A 1. I happened to notice that [REDACTED] initials do not appear on either of the referenced outgoing messages that were sent to [REDACTED]. I see no particular reason why he should have been asked formally to clear these messages since their purpose was merely to ask Jim to explore certain questions. [REDACTED] On the other hand it seems to me we should lean over backwards to make 25X1A sure he sees all outgoing messages that deal with [REDACTED] and I would think the better procedure would be to have his initials on them to indicate that he has seen and concurred.

2. If you agree, would you take whatever steps are necessary to accomplish this result.
